**A YOUTH  
THAT MAKES THE DIFFERENCE!**

## Message from the Chairperson of the Youth LEO/Commission.

Dear Leo and Lion friends.

It is with great joy that we have started the Leo and Lion year.

We had our pan-Canadian bilingual webinar on September 29th, for those who were not available, the recording is on your District or Multiple District websites.

We will have Leo members in person at our Multiple District Convention on October 19th to which we invite you in large numbers.

A special training session will be given at 3:30pm on October 19th at the Multiple District Convention for our Leo District Committee Chairpersons (there is one in each District) and if you would like to attend as a Leo Advisor or Leo Club Initiator, you are welcome to contact your District Chairperson who will refer the decision to your Governor (for the cost).

### **NEWS:**

We have a Leo Club that has changed sponsor Club, namely « **LA RELÈVE** » from the Saint-Anaclet de Lessard Lion Club to the Matane D'Amour Lion Club.

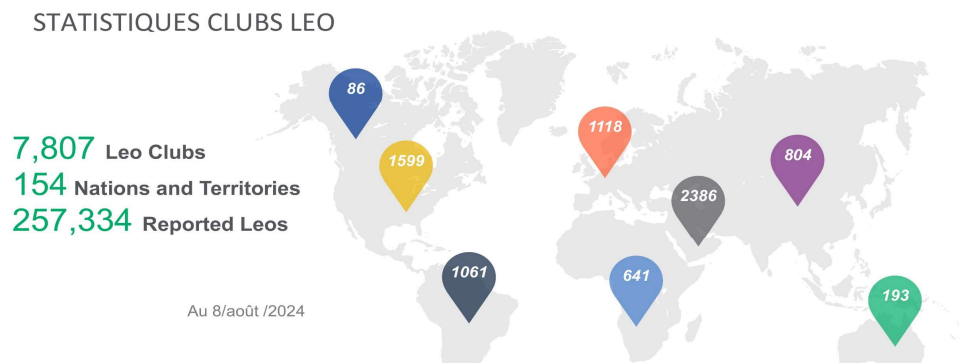

October is the month of recruitment for Leos on all continents and we have a Leo Club that is in the process of qualifying for the international competition for the biggest growth of members in its Club; that is saying something.

Two other future Leo Club Clubs are recruiting in our Province and others are in structural training.

The Leos have the wind in their sails and are on fire, we are installing the next generation of Lions with one Leo and one Club at a time, like the 1.5 million challenges, by doubling services to their community.

Our goal in 2019 was 200,000 members by 2025 and we have already exceeded it.

The weekend was rich in activities and emotions.

In addition to exchanges and learning, parents have network of contacts and have filled their "toolbox" in order to deal with a multitude of situations specific to the condition of their child.

On Sunday we said to ourselves: it's a rendezvous next year!
